

## **Price Increase Announcement – HP Laser Jet Cartridges**

August 1, 2008

As of September 1, 2008, HP is increasing the list prices on all Mono and Color LaserJet Print Cartridges.

As of HP's normal portfolio management, the company regularly reviews pricing. In response to rising production and supply chain costs, HP is now adjusting the price of HP LaserJet toner cartridges by (5%) percent. This price increase will affect a total of 156 products.

NOTE: The following cartridges had their prices recently increased and will be excluded from the September 1<sup>st</sup> 5% price increase: 92274A, C3903A, C4092A, C3909A, C3909X, C3906A, C3906AG, 92298A and 92298X.
